WELCOME TO 3RD WATCH MINISTRIES

God told His people to go in and possess the Promised Land. When we chose Jesus as our Savior, He gave us ALL authority to walk in and possess our generational blessings and inheritance; our Promised Land.

Before they could possess the land, however, they had to drive out the enemies of God. These enemies had been there for generations practicing witchcraft, idolatry and doing abominable things before the Lord. The enemy of God's people did not just pack up and leave, they had to be driven out.

God's plan is to heal us, spirit, body and soul (mind, will and emotions) so we can drive out the enemy of our souls and go into our Promised Land with joy, peace and the knowledge of who we are in Him!

Through focused strategy prayer we bring the Light that is the Lord Jesus Christ to a person as He establishes truth and healing to the broken places in our lives as it says in *Isaiah 61*.
